2023 Data Headlines

School: Goldsborough CE Primary School

N.B. Comparisons to 2022 should be taken lightly due to such small cohort sizes. Each child is weighted heavily in terms of % which skews data hugely. SEND make up in each cohort also skews data significantly.

Progress Measures for KS2 all improved since last published by DfE.

EYFSP	2023	Comparison to 2022	National
	55.6% 5/6	-15.8%	67.2%

Phonics Year 1	2023	Comparison to 2022	National
	80% 4/5	0	78.9%
