Dear families,

Re: Feedback from 'Success Café Book Look'

I wanted to take a moment to say a huge thank you to all the families who joined us last Friday after school for our event. It was fantastic to see so many of you and for you to be able to chat informally with the teachers and your child/ren about their hard work!

Your positive feedback about the curriculum and the progress made this academic year meant the world to us. We've put in a lot of effort in recent years to develop the curriculum which the children now enjoy, and to create an engaging and enriching learning experience for every pupil. Your kind words on the feedback forms truly validate everyone's collective hard work.

We're so grateful to have such supportive families as part of our school community, and your presence at the event made it even more special. Thank you for taking the time to be a part of it and for taking the time to note down your valuable feedback, and to the FROGS for serving refreshments.

As we rapidly approach the end of the academic year, we have now reached the week where the transition sessions begin as we prepare our pupils for moving on to new classes and new schools. These transition sessions are designed to ease any anxieties both in our school and at their new school, and to create a welcoming atmosphere in their new classrooms. We believe that by providing them with this opportunity, we can help foster a positive start to the upcoming school year as these special sessions provide our children with the opportunity to familiarise themselves with their new environments, get to know their teachers, and also for many in our small school, to reconnect with their new classmates.

For those families who joined us last week in school for the last 'book look', it was encouraging that you recognised how our curriculum has prepared your child well for Year 7 and beyond.

The most popular feedback was in relation to:

- The incredible breadth and variety of interesting curriculum content
- The volume of work done and the knowledge the children had about their learning
- The fantastic Learning Journey that could be seen
- How much progress could be seen between September and June
- The detail included in the curriculum subjects including Edit Cards and Challenges
- The communication between pupils and staff members and how this feedback ensured progress was made
- It being a lovely way to connect school and home
- It being a lovely informal way of seeing the children's work

Thank you once again for your continuous support and for being an essential part of our school community. On the back of this success we aim to do this at least in the Autumn and Summer terms next year in a bigger and better way – **we hope that more of you will be able to join us!**

We look forward to continuing this journey together and making the upcoming academic year even more successful and fulfilling.

If you ever have any questions or suggestions, please don't hesitate to reach out. In the meantime, have a look at the 'word clouds' attached for a snap-shot of the feedback received.

Yours sincerely,

Zoe Ellis
Executive Headteacher
