Sports Funding 2022 – 23 Evaluated

Since March 2013, the government has been allocating schools with a dedicated PE and sports premium 'to make additional and sustainable improvements to the quality of PE and sport they offer'. Both Schools in the **Goldsbrough Sicklinghall Federation** are eligible. Funding varies based on the size of the school.

Funding for 2022 - 23

£16,710

The following table shows how the **Goldsbrough Sicklinghall Federation** are planning to use the funding for the provision of an outstanding PE curriculum and increased and varied extracurricular opportunities, working towards improving the **physical health, mental health and general well-being of all children** following the monumental impact of Covid-19 on education.

P.E is an integral part of the **Enrichment Curriculum** and plans to increase movement across the curriculum and wider participation in sport in 2022-23 are integral to the enrichment offer.
