now Goodsbrough 9000  
name. A long long time  
ago lived two women  
called Scarlet and Sisle.  
Scarlet was the kindest  
person in the whole village.  
Sisle was kind but  
she was some times nasty.

The village needed a  
leader because there was  
a fight in one week.  
it lasted 3 days and

Scarlet and Sisle  
competed. Scarlet headed  
towards the dark forest to  
find something.

~~Scarlet~~ Sisle followed  
Scarlet remembered she  
forgot her tools, so she

Went back to her home  
to get her tools. Sisle  
in the place she left  
and found nothing.

So he hid a gold mine  
Scarlet near by. When  
Scarlet came she looked  
her (mine) took out gold  
in the mine and Sisle

path from Scarlet to the  
gold. Sisle was bad at  
following so she headed  
own way and Scarlet

followed the path.  
Scarlet jumped with joy

When she dug the hole  
and she brought the  
two her village to there.
