Dear Parents and Carers,

### **Re: It's coming home, isn't it?**

Whether you are a football fan or not, you cannot hide away from the fact that there is a very important football match on Sunday evening!

As staff members, we find it hard to stay up late and then get to school at our usual time, so we totally understand how hard it is for the children. Having enough sleep is a vital part of being able to function effectively.

On Sunday, the final of Euro 2020 is at 8pm and I know many children and families will want to enjoy this occasion - it is the first time England have reached a final since 1966 so it is not something that many people have been able to witness before! There has been so much negativity throughout the pandemic, that I want to fully support anything that brings joy to our school community. As an avid Tottenham fan myself, it's nice to see people get behind Harry Kane and the rest of the squad.

Learning happens in many different situations. Our children can learn such a lot about our **School Vision** from all of the teams in the competition whether you are a football fan or not.

**INSPIRE NURTURE BELIEVE ACHIEVE**  
*Working **together** to be the **best** that we can be.*

The children can also see how the **school values** we all chose as stakeholders work together to make people, like Gareth Southgate, who personify every single value underpinned by an incredible core of humility. Our staff will be discussing this in lessons on Monday. He is a great example of not letting low moments define a person.

We want our families and staff to be able to enjoy the match fully. On Monday, we will **extend registration until 10:30am** so that those children who stay up late to learn about the School Vision and Values in action are able to **have enough sleep** and arrive at school refreshed. **They will not be marked late.** Our lunch time slots start at 11:15am at the moment, so this 10:30am is a good time to ensure that everyone is in school before then.

For those families not interested or who are working, **Breakfast Club will still be on from 7:30am** and the **Teachers will be in school for anyone arriving from 8:30am.**

**Please can I ask that anyone booked in for Monday's Breakfast Club confirm their place and the expected time of arrival ASAP. Staff members will facilitate this service from 7:30am if there is a need but if not, they may open later at 7:45 or 8am if people are not planning on arriving for 7:30am.**

We hope that this offers all families an option to suit their personal circumstances.

Have a wonderful weekend.

Miss Z Pickard  
Headteacher
