A Long time ago, in the Swishy Wind of York there was the Most Amazing Village. There were Carrots, potatoes, broccoli, wheat, Pickles, and Strawberry's. but every one DID NOT Like the Cat People Popart's tormaline and taro. Tormaline who has a CAT HEAD! and a Popart body and Popart Powers. Taro Popart Body and Cat body and Cat Powers. ~~every~~ Every week they would come and set fire to fields.

Two Weeks Later, the Cat Popart's started to fight. Taro was mad at tormaline. She hit tormaline. Taro cried and said "Why did I do that." "I, I, didn't mean to do that." tormaline woke up she said "I challenge you to a Sorey battle!" Pause if you know when I said about them having Power's Taro Having Cat Power's and tormaline having Popart Powers. Well here it is the Powers Section. back to the story. in the Next Day.

Time for the Sorey battle! they were ready. Both of them in there corners. Taro said with a of my Dragon ball z Sorey video games I'm ready. Farmer Joe says Howdy. 3, 2, 1 Go, "Halugie" "ATHH!" Oh No Taro she fell. and turned into Gold. And that's How Gold's Brough got it's Name.
