

Key Instant Recall Facts

Year I - Summer 2

I know my number bonds for each number to 10

By the end of this half term, children should know the following facts. The aim is for them to recall these facts instantly.

0 + 7 = 7	0 + 8 = 8	0 + 9 = 9	0 + 10 = 10
I + 6 = 7	1 + 7 = 8	1 + 8 = 9	1 + 9 = 10
2 + 5 = 7	2 + 6 = 8	2 + 7 = 9	2 + 8 = 10
3 + 4 = 7	3 + 5 = 8	3 + 6 = 9	3 + 7 = 10
4 + 3 = 7	4 + 4 = 8	4 + 5 = 9	4 + 6 = 10
5 + 2 = 7	5 + 3 = 8	5 + 4 = 9	5 + 5 = 10
6 + 2 = 8	6 + 2 = 8	6 + 3 = 9	6 + 4 = 10
7 + 1 = 8	7 + 1 = 8	7 + 2 = 9	7 + 3 = 10
8 + 0 = 8	8 + 0 = 8	8 + 1 = 9	8 + 2 = 10
		9 + 0 = 9	9 + 1 = 10
			10 + 0 = 10

Key Vocabulary:

What do I **add** to 5 to make 10?

What is 10 take away 6?

What is 3 less than 10?

How many more than 2 is IO?

They should be able to answer these questions in any order, including missing number questions e.g. I + O = IO or 9 - O = 8.

Top Tips

The secret to success is practising little and often. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey? You don't need to practise them all at once: perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.

Use Top Marks website www.topmarks.co.uk to practise number bonds

Use a tower of 10 cubes, start with 10 then take one away 10-1=9 therefore 9+1=10

 $\underline{\mathsf{Use}}\ \mathsf{fingers}\ \mathsf{to}\ \mathsf{show}\ \mathsf{number}\ \mathsf{bonds}\ \mathsf{to}\ \mathsf{IO}$

Make a number bonds poster using different colours for different numbers
