

Please **do not** complete the next lessons in the work packs sent home as when we are back in school I will continue those lessons.

Remember you have NEW Additional Home Learning packs that I just sent home () These are perfect if you want to keep your children doing some schoolwork.

The  worksheet booklets might work best for you child. However, if your child prefers watching the videos from Oak National Academy  then have a look at the suggestions in the table below.

The table below is **optional** – we do not expect anyone to complete this work on such lovely snow days. However, we also appreciate that while many of parents are working at home, something to offer structure to the day may be helpful.
