24.3.21

Dear Parents and Carers,

This term has been such an interesting time for us all; we have been so glad to have every child back in school. They have done really well to get back into the routines of school life and have completed some excellent pieces of work.

Have a look on the class page on the website to see what the children have been up to:

<https://www.goldsboroughprimary.co.uk/classes>

Thank you for your support during the most recent lockdown – we know how challenging it has been for you as parents and also for our staff members too.

The responses in the Remote Learning Questionnaire have been overwhelmingly positive and reflect the inordinate amount of work that was put in to making it a success for our children. We will share the outcomes with you after the holidays.

#### **Parent and Carer Consultation:**

Thank you for completing the Parentmail letter to inform us of your preference of a telephone or Teams meeting. We will be compiling the timings after the Easter holiday and will let you know as soon as we can which time slot you have been allocated.

#### **Red Nose Day:**

Our children are all superheroes and enjoyed wearing their outfits for Red Nose Day. They used their superhero skills to raise £140 for Comic Relief.

#### **Staffing Update:**

Mrs Smirthwaite will be leaving us at Easter. She joined us in September during Covid-19 restrictions so I appreciate that many children and parents won't have had much interaction with her. However, I am certain that you will join me in wishing her well in her endeavours.

School finishes at the normal bubble time on Friday. Everyone is ready for a rest and recharge - have a lovely Easter Break and we will see you on Tuesday 13<sup>th</sup> April (Class Bubble timings and routines will still apply).

## HAPPY EASTER FROM EVERYONE AT ST MARY'S CHURCH!!

At church on Easter Sunday we will shout out (well with masks on of course) that

He is Risen, He is risen indeed . Alleluia!!

It's a message Christians have been shouting out for two thousand years. It reminds us that Jesus is alive! Can you see the picture of the Easter garden- the stone is rolled to one side and the tomb is empty. That's what Jesus friends found when they went to the

tomb on that first Easter Sunday. And that's great news because it means all of us have the promise Jesus gave to us that we too will have resurrection to eternal life, just like he did PLUS we can live life to the full now knowing how much he loves each one of us. Amazing. So have a great Easter holiday with all your lovely families and of course eating all those eggs and I look forward to seeing you next term.

Blessings

Revd Stroma
