

GOLDSBOROUGH and SICKLINGHALL School Council 2021 - 22

Thank you to School Council for continuing to make our school a better place. Thank you also to the rest of the school for sharing their thoughts, ideas and opinions on how we can improve our school and help other people in the local area.

GOLDSBOROUGH

Present (Who is at the meeting?)

Y6: ✓ Y5: ✓ ✓ Y4: ✓ ✓ Y3: ✓ ✓ Y2: ✓ ✓

MINUTES for: 25.04.22

This is what we discussed and the decisions we made during our meeting:

1. Reading Shed

Your ideas for the reading shed were:

- Paint the shed in a nice colour
- Flags around the shed
- Blackboard paint around it so we can draw in chalk
- Have rules written up inside
- Writing resource basket so that we can write our own books in there
- Rules list
 - Always look after books
 - Only 4 children at a time
 - Always read quietly
 - Always behave sensibly in the reading shed
- Chairs
- Fairy lights
- New books for all ages
- Only to be used for reading and relaxing
- New lock
- Paint the inner walls

Our plan of action:

- During our next meeting, we will design the shed (please complete your own design and add it to the school council suggestions box if you would like to contribute) and write to FROGS for support with this. We will also be writing to parents to tell them about the bun sale to raise further funds for new books.

Following the request from school council to have Tree names for our classes, we have all voted and the tree names which have been chosen are:

Class 1 = Monkey Puzzle

Class 2 = Sweet Chestnut

Class 3 = Sycamore

Class 4 = Oak

2. Friendships at playtimes

Please update your class rota today. You can volunteer for as many sessions as you like. We need two children for each session.

	Monday	Tuesday	Wednesday	Thursday	Friday
Morning					
Lunch					
Afternoon					

This must be added to our classroom wall and we are responsible for checking the timetable for our sessions.

3. House Points

Our new house team names are:

Hawking

Jemison

Lovelace

Attenborough

Following the Easter Break we will all be earning house points for our houses and these will be announced in assembly on a Friday each week. A representative from each house from Year 6 will be selected to count and announce the house points and the totals will be tracked each week.

As part of our new houses launch, we will be holding a competition. All children will be given the opportunity to design a shield for their house over the Easter holidays. The deadline for the competition will be the Friday of the first week back (20.05.22). The winner for each house will have their shield as the centre piece for the House points display and printed onto our House banners.

Each shield should represent the person the house is named after. You can make it as colourful and creative as you like! Templates will be sent out at the end of the week.

On May 27th FOBS will be holding a 'Break the Rules Day'. Our list of rules to break which will be sent to FOBS for consideration are:

- No juice
- No leather jackets
- No sleeping in class
- No being picked up early
- No teddies
- No make-up
- No hair dye
- No special lunches
- No movies in class
- No extra playtimes

Other Business:

- 20's Plenty – The Parish Council have asked if we as a school would be interested in working with them to make the roads around school a safer. They have suggested a 20mph speed limit and we (School Council) have agreed that this is a good idea.
- Football and Basketballs need to be replaced
New footballs have been ordered for the Summer term
- Suggestions box – We will be placing a suggestions box by the School Council board for anything your ideas about how we can make school a better place. These will be checked at every School Council meeting.
Our new school suggestions box has arrived and will be checked at each School Council meeting. Please add suggestions which you think will make our school a better place.
- Please take care of all displays in school. The School Council display has been damaged already and it hasn't been up for very long – thank you.
Thank you for reminding each other and helping us to take care of our school.

What next?

Read these minutes to your classmates and bring the results to the next School Council meeting.

Thank you to all of our School Council members for making school a better place.

Mrs Richards
