

Please **do not** complete the next lessons in the work packs sent home as when we are back in school, the lesson will follow on and a pack will be provided for the remaining lessons for that week.

You can of course finish any work from the lessons that you didn't do or do extra examples of the lesson tasks.

The table below is **optional** – we do not expect anyone to complete this work on such lovely snow days. However, we also appreciate that while many of parents are working at home, something to offer structure to the day may be helpful.
