Working Together for Excellent Attendance

Well done to Year 2 who had the best attendance this week with 100% attendance!

Sport in School

Last week, the children competed in their annual sports day! Everyone watching commented on how resilient the children have become over the last few years – they did an amazing job or working together as a team in their house groups and also in their own individual races! We will pop some photos on twitter and the school website in due course.

A reminder of the House Shields which were designed by the children are below.

The house that earned the most points for their team at Sports Day 2024 was..... **JEMISON**

Thank you to Mr Colley for everything that he does to support our small schools accessing a varied range of sport and the competitions both in school time and after school. **Mr Colley, we think you are ACE!**

Although it was very breezy, it was wonderful to see so many families there to support the children and the school.

We hope you enjoyed it as much as we did!

Dodgeball at Ashville College

Some children from years 1,2,3 and 4 played Dodgeball at Ashville College this week. Mr Colley said "What a great morning! The children were amazing, full of enthusiasm, determination and respect. Lots of dodging, ducking, diving and fun!"

Sycamore class came third in their age group competition, and Year 1 and 2 came fourth in their competition. Well done everyone!

Here comes the sun!

The weather is warming up again next week please can we ask that you apply a long-lasting sun cream to your children before they come to school – **check that they are nut and seed free as recipes often change.**

Children will need to bring a hat with them to protect them from the sun as they will be playing on the field now that it has dried out. If they bring sunglasses, please ensure that they are **fully plastic rather than metal and glass.**

Please can you also send your child to school with a full water bottle. It is important they are hydrated so if they will not drink plain water, try an alternative e.g. sugar free, clear flavoured water.

'Success Café' Book Look on 24th June at 3:15pm to 4.30pm
