'Success Café' - Progress Book Look

It was great to see the families who popped in to school on Monday to visit the Success Café on Monday to see just how much progress the children have made! It's heartening to see children proudly displaying their work to parents, carers and grandparents.

The children have worked so hard through the school year and have made amazing progress – it is definitely worth celebrating!

Thank you to the **AMAZING** staff team who all work relentlessly to ensure that the children make academic and social progress during the year and experience a rich and varied curriculum. I couldn't work with a more dedicated and kinder team than those we have in school.

'It was great to see their progress – even since the last Parent Carer Consultation in April...'

'Fabulous as always... it's incredible to see how much you fit in to the curriculum...'

'It was great to get an update about reading books and levels...'

'I love the chance to look at their work...'

'Lots of lovely work on display...'

'Thank you for all of the hard work, expertise and energy that's gone in to making it so special...'

'What a joy it is looking at all the progress they have made and all the fun learning they do...'
