

GOLDSBOROUGH and SICKLINGHALL School Council 2021 - 22

Thank you to School Council for continuing to make our school a better place. Thank you also to the rest of the school for sharing their thoughts and opinions on how we can improve our school and help other people in the local area.

GOLDSBOROUGH

MINUTES for: 26.01.22

This is what we discussed and the decisions we made.

1. **New Class 2 Councillor: J**
2. **This half term we have decided that we will be focusing on Revamping the Reading Shed, clubs and recycling**

Clubs for the Spring term include:

- Football club
- Dance club
- Lego Club
- Homework Club

We will be looking at Gardening Club, Art club and Science Club for next half term. Mrs Richards has spoken to the teachers and a rota is being set up for clubs for the remainder of the school year.

The Reading Shed will be reopened and revamped in time for Spring term 2. In order to do this, we will be raising money for new books and resources to make it awesome again. We will be holding a bun sale in the new year so that we are able to do this. We will be writing to the FROGS for support with this.

One of the ideas we had for fundraising was a sponsored run or sponsored cycle. This is a fantastic idea and is something we will look at for our next fundraising project when the weather improves.

Letters to be written to FROGS and parents about bun sale

Class names like Sicklinghall have been discussed and we have decided on trees. All of our classes will be names after trees rather than numbers. Please vote on the following trees:

The ladder of success has been relaunched as 'Going for Gold' in all classes without the red stage at both Goldsbrough and Sicklinghall.

3. Friendships at playtimes

As a school, we have decided on **Playground Patrol** as the name for our playground buddies.

Playground Patrol will begin in February. We will have a timetable in each class so everyone knows when it is their turn.

4. House Points

Our new house team names are:

Hawking
Jemison
Lovelace
Attenborough

Watch out for our new whole school house points chart in the hall way. House points can be gained by demonstrating our school values, working hard in class, extra effort, super presentation, and being the best you can be.

House points will be recorded in classes and then house captains will collect in, total and announce house points in celebration assembly on Fridays. Each term, the winning house will have a reward which school council will be discussing next half term.

We will be launching this in assembly after half term.

We have decided that each classroom will have pictures of their school councillors on their doors.

Reading shed:

Do you have any ideas/themes/suggestions/rules for the reading shed?

On May 27th FOBS will be holding a 'Break the Rules Day'. These are some for the ideas so far...

Do you have any other rules we could add to this list?

Other Business:

- Footballs and Basketballs need to be replaced
- Suggestions box – We will be placing a suggestions box by the School Council board for anything your ideas about how we can make school a better place. These will be checked at every School Council meeting.
- Please take care of all displays in school. The School Council display has been damaged already and it hasn't been up for very long – thank you.

What next?

Read these minutes to your classmates and bring the results to the next School Council meeting.

Thank you to all of our School Council members for making school a better place.

Mrs Richards
